

Winding Rivers Library System Workshop

This workshop will include tours of two “green” libraries south of WRLS. Our first stop will be at the Soldier’s Grove Public Library, a solar powered library. Our second stop will be a tour and presentation, “Green Practices in Public Libraries,” at the Rosemary Garfoot Public Library in Cross Plains. The Rosemary Garfoot Library has a silver [LEED rating](#).

The bus will leave the La Crosse Public Library parking lot at 9:00am. We will make one other pick-up in front of the Westby library at 9:40am. We will return to La Crosse around 5:30pm, dropping off in Westby around 4:50pm.
